That is one reason why hand-painted China is so popular. But beauty is not its only feature, for china is just as serviceable as it is beautiful.

We always welcome a comparison of prices.

Miss Mattie White, daughter of Thomas C. White, is very ill with typhoid fever in Washington, D. C. Mr. Thomas C. White and daughter, Miss Lillian, arrived home yesterday from an extended trip through Canada and the far West. Both are looking well and report a delightful trip.

FOREIGNERS JAILED

Sunday midnight Justice George N. Kollman brought seven men and one woman in from Grassell and lodged them in the county jail. They had assembled in a house at Grassell for immoral purposes. A first he had difficulty in controlling them, as they were not disposed to obey his command. They are Hungarians and Poles and will be required to answer for their misconduct in the house.

STILL CLIMBING.

Marshall College has passed the one thousand mark, the enrollment for the past year footing up the neat total of 1,021. This historic old school has just been reorganized from top to bottom, the work having been divided into thirteen separate and distinct departments, Latin, Greek, German, French, English, History, Education, Mathematics, Physics and Chemistry, Geology and Biology, Music, Art and Expression. At the head of the thirteen different departments have been placed men and women of advanced scholastic attainments, nearly all of them having done their A. B. and A. M. degree work in the best colleges and universities of this and of other countries, and one of them, the head of the Latin department, Dr. C. H. Saylor, has completed his doctor's degree at Johns Hopkins. The school will open its seventy-first year's work on the 18th of September, with a teaching force, in all departments, of thirty-three. The new college building has just been completed this summer, thus providing a splendid new art department with the much desired northern and sky lighting, a room 70x45 feet. The music department, nine new practice rooms and three new studios, will open its new quarters in September. The model school teaching force has been put upon new footing, and skilled teachers have been chosen for that work so that the normal training work for teachers may meet the most critical demands hereafter. The management and general plan of boarding in the ladies' dormitory has been changed, the rooms have been overhauled, and this feature of the year's work will keep pace with a decided improvement made in other ways. Board varies, according to whether it be private, dormitory, self board, club board, or co-operative board, from \$9.50 to \$14 private board running the highest, \$12.00 to \$14.00. One of our large catalogues will be sent to any one requesting it. Address L. J. Corbly, Huntington, W. Va.
